GOVERNMENT OF BOMBAY

GENERAL DEPARTMENT.

Resolution no. P. 52.

Bombay Castle, 30th September 1930.

Read reports from the Commissioner in Sind and the Commissioners of Divisions on the administration of Local Boards in their respective charges during the year 1928-29.

RESOLUTION.—*Number of Boards.*—There was no change in the number of District and Taluka Local Boards.

2. *Area and population.*—The following changes were reported :—

Central Division.—Owing to the transfer of the Nagaj Village of the Satara District to the Sholapur District, the Local Board area in the Satara District decreased from 4,792 square miles to 4,781 square miles and that in the Sholapur District increased from 4,551 square miles to 4,562 square miles. The population in the District Local Board area in the Ahmednagar District which was 651,992 in the year 1927-28 increased by 3,565 owing to the inclusion of the population of the Vambori Municipality which was abolished from 1st July 1927.

Northern Division.—The population under the Taluka Local Board, Gogho, and the District Local Board, Ahmedabad, increased by 4,186 souls owing to the abolition of the Gogho Municipality from 1st October 1928.

Sind.—An area of 3·1 square miles was transferred from the Kashmore Taluka in the Upper Sind Frontier District to the Ghotki Taluka in the Sukkur District.

3. *Constitution.*—There was no change in the constitution of the District and Taluka Local Boards. The administration of the superseded District Local Board, Sholapur, continued to be in the hands of the Collector.

4. *Elections.*—The accompanying statement shows the results of the triennial elections in Sind and Central and Southern Divisions during the year. In the other Divisions no triennial elections were held. In the Southern Division (excluding the Konkan Districts) and in most parts of Sind, the number of voters who actually exercised their right of franchise was satisfactory but in other parts of the Presidency it is disappointing that more interest was not taken in the elections by the electors. It is probably true to say that questions of administration play little part in the elections, the results of which still depend largely on communal, caste and personal considerations.

5. *Meetings.*—The following Taluka Local Boards did not hold the minimum number of meetings prescribed by section 35 (1) of the Bombay Local Boards Act, 1923 :—

Nasik, Karad, Wai, Javli, Koregaon, Man, Khatar, Tasgaon, Wagra, Shahpur, Murbad, Rajapur, Malwan, Manjhand, Sujawal, Tando Allahyar, Labdarya, Singhoro, Jamesabad, Moro and Chachro.

It is reported that in Sind the provisions of section 41 of the Bombay Local Boards Act were, as usual, freely employed for the transaction of business by circular. As has been pointed out frequently Government view this practice with dissatisfaction and again draw the attention of the boards concerned to the remarks made in paragraph 4 of Government Resolution no. P. 52, dated the 21st June 1927.

6. *Income.*—The aggregate income of the Boards (excluding opening balance and debt) decreased from Rs. 1,98,33,901 to Rs. 1,96,59,304. The principal variations under the main sources of revenue are explained below :—

(*a*) *Local Rates.*—The receipts from this source rose from Rs. 48,24,047 to Rs. 50,14,734. The increase was shared by all Divisions except the

Bombay Suburban and the Northern Divisions. The increase was mainly due to the recovery of past arrears and to the doubling of the one anna local fund cess in one district, good crops and to the crediting of the educational share to this head instead of to deposit accounts as was done in the preceding year. The decrease in the Northern Division was partly due to the absence of arrears due for recovery and partly to damage caused by frost.

(*b*) *Education.*—The receipts from this source decreased from Rs. 98,89,376 to Rs. 97,03,175. The decrease was shared by all the Divisions except Sind. In the Bombay Suburban Division, the decrease was partly due to the non-receipt of contributions of the municipalities. Elsewhere the decrease was due to a fall in receipts on account of Government grants. In Sind the increase was due to the crediting of amounts pertaining to the Primary Education Fund in the accounts of the District Local Boards in the first instance and to increased grants from Government.

(*c*) *Medical.*—The receipts from this source rose from Rs. 2,55,919 to Rs. 2,61,499. The increase was shared by all divisions. The small increase was mainly due to the receipts of arrears of Government grants on account of the increased pay of vaccinators, and to receipts of arrears of contributions from Mewas Estates and to contributions received towards the maintenance of eight Ayurvedic Dispensaries established in the Ahmedabad District.

(*d*) *Civil Works.*—The receipts from this source decreased from Rs. 32,30,813 to Rs. 31,95,370. The decrease was shared by Sind and the Northern Division. In Sind the decrease was due to reduced grants-in-aid for communications and to the non-receipt of special grants from Government for communications such as those made in the preceding year to the Hyderabad and Thar Parkar District Local Boards. In the Northern Division, the decrease was mainly due to a fall in the receipts of Government grants for communications and village water supply. The increase elsewhere was due to increased receipts from the auction sales of road tolls, and to larger contributions from Government and the public for improvement of roads. In Belgaum it was due to the addition of net receipts from provincial ferries during the year and in Kanara to the increase in miscellaneous revenue.

7. *Expenditure.*—The aggregate expenditure of the Boards chargeable to current income decreased from Rs. 2,00,39,374 to Rs. 1,93,40,189. The principal variations under the main heads are explained below :—

(*a*) *Administration.*—The expenditure under this head rose from Rs. 7,35,131 to Rs. 7,46,719. The increase was shared by Sind and the Central Division and was due to additional establishments and to increments. In the Northern, the Bombay Suburban and the Southern Divisions the decrease was mainly due to a reduction in expenditure on account of travelling allowance and contingencies.

(*b*) *Education.*—The expenditure under this head decreased from Rs. 1,19,65,837 to Rs. 1,14,47,862. The decrease was shared by the Central, the Northern and the Southern Divisions and was mainly due to the transfer in the previous year of large accumulated balances to the Primary Education Fund. In Sind the increase was due to the debit of expenditure pertaining to the Primary Education Fund in the accounts of the District Local Boards in the first instance and to the enhanced expenditure on primary education. In the Bombay Suburban Division, the increase was mainly due to the grants made to new schools.

(*c*) *Medical.*—The expenditure under this head rose from Rs. 11,50,477 to Rs. 11,74,851. The increase was shared by all divisions except the Northern Division. In the Central Division the increase was due to the opening of new Ayurvedic Dispensaries and the payment of bills for medical stores for two years. In the Southern Division, the increase was mainly due to the appointment of a Public Health Officer and his staff and the payment of increased pony allowance to vaccinators. In Sind the increase was due to the payment of arrears on account of the cost of medicines, enhanced expenditure on account of vaccination establishment and the payment of additional and new grants to certain institutions. In the Northern Division,

the decrease was due to a fall in expenditure on medicines and the curtailment of grants to the Civil Hospital, Thana, and to the municipal dispensaries at Bhiwandi and Bassein.

(*d*) *Civil Works.*—The expenditure under this head decreased from Rs. 52,97,140 to Rs.. 51,82,988. The decrease was shared by all Divisions except Sind and the Bombay Suburban Division and was due to curtailment of work on buildings, communications and water works.

8. *Closing balances.*—The aggregate closing balances of all the Boards amounted to Rs. 44,40,776 as against Rs. 43,55,478 in the previous year. The closing balances of most of the Boards were in excess of the prescribed minima in most cases owing to the non-completion of the budgetted works and the accumulation of unspent balances of Government grants and other contributions. The Commissioners should be requested to invite the attention of the Boards to the importance of more careful budgetting and of the execution of those works for which budget provision has been made within the financial year.

9. *Primary Education.*—In the Bombay Suburban Division, the number of primary local board and aided schools rose from 41 and 18 to 46 and 21, respectively. The average number of pupils on the roll was 5,692 as against 3,409 in the previous year. In the Central Division 10 and 14 new schools were opened respectively in the East Khandesh and West Khandesh districts. In the Southern Division, 50 new schools were opened by the District Local Board, Dharwar. In the Northern Division, the District Local Boards of the Panch Mahals and Thana took over the control of primary education under the Primary Education Act. In the year under report a special enquiry was made into the affairs of the District School Board, Thana, and as a result the persons considered to be responsible for maladministration were prosecuted. In Sind, good progress was shown under education, particularly by the District Local Board, Larkana.

10. *Medical and Public Health.*—In the Central Division, cholera broke out in the districts of Ahmednagar, Nasik and Satara. Plague also occurred in the latter two districts. Special medical officers were appointed and preventive measures were taken to combat the epidemic. Two more Ayurvedic dispensaries in Poona and one in Satara were opened. The Poona District Local Board also opened an Ayurvedic pharmacy to supply fresh, good and cheaper medicines to its Ayurvedic dispensaries. In the Northern Division, the District Local Board, Ahmedabad, opened eight Ayurvedic dispensaries. These dispensaries are reported to be working satisfactorily and to have found favour with the public. There was a slight outbreak of plague during the year in the talukas of Bulsar, Pardi, Chikhli and Jalalpore but it was checked by the prompt measures taken by the Board. In the Southern Division, the District Local Board, Dharwar, appointed a Public Health Officer. In Sind public health was on the whole good during the year in spite of an outbreak of cholera in a few villages. The District Local Board, Larkana, engaged the services of a Health Officer.

11. *Veterinary Dispensaries:*—In the Central Division there was a great fall in the number of animals treated at Waduj, Wai, Rahimatpur and Mhaswad dispensaries.

12. *Civil Works.*—In the Central Division Government entrusted important work on the Mandavgaon irrigation tank to the Ahmednagar District Local Board. The Bhima Causeway at Dhond and three minor works were also completed by the Board for Government during the year. The District Local Board, Poona, completed a causeway over the Wada Nala on the Khed-Bhorgiri Road. The total grant of Government for the division and the expenditure of the Boards on communications amounted to about Rs. 5,82,000 and Rs. 9,20,820, respectively. In the Northern Division, the total grant of Government and the expenditure of the Boards on communications amounted to Rs. 4,41,000 and Rs. 6,78,876, respectively. Government note with pleasure that Local Boards throughout the whole of the Presidency manifested considerable energy in building schools, cattle pound and dispensary and office buildings so far as their resources permitted.

13. *Village Water Supply.*—Government note with pleasure that many District Local Boards were able to construct wells which will permanently improve the water supply of the locality. It is to be regretted that some boards were unable to spend the full grant placed at their disposal and Government trust that approved programmes will be prepared and grants spent more promptly in future.

14. *Works Committees, Standing Committees, Sanitary Committees, etc.*—In the Central Division, out of 73 local boards, 48, 64 and 7 have respectively appointed works, standing and budget committees. Besides these committees, the District Local Boards, Ahmednagar and Poona, have appointed Public Health Committees. A Village Panchayat Committee has also been appointed by the District Local Board, Poona. In the Northern Division, all the District and Taluka Local Boards had standing committees which are reported to have done useful work during the year. In Sind the number of sanitary committees fell from 220 to 218. It is reported that the members of works committees generally took little interest in the works going on in their talukas though there were some favourable exceptions.

15. *Village Panchayats.*—There are no Village Panchayats in Sind or the Bombay Suburban Division. In the other divisions the Village Panchayats did not, on the whole, show any improvement. The inspection of four village panchayats in the Poona District by the Chief Officer of the District Local Board, Poona, revealed irregularities of wrong assessment, serious arrears in the house tax, irregular meetings and illegal expenditure in certain cases. The Sar Panch of the Patas Village Panchayat was suspended by the District Local Board, Poona, for misconduct. Grave irregularities in the affairs of the Pimpalgaon Village Panchayat in the East Khandesh District were also revealed.

16. *Audit of Accounts.*—No note on the audit of accounts of the Bombay Suburban District Local Board was received during the year under review. In the Central Division, the audit notes received from the Examiner did not disclose any gross irregularities except in the case of the (*a*) Taluka Local Board, Parola (East Khandesh), (*b*) Taluka Local Board, Bhusaval (East Khandesh), (*c*) Taluka Local Board, Pachora (East Khandesh) and (*d*) Taluka Local Board, Wai (Satara). In the first case, an overseer was reported to be guilty of misappropriation. In the second case a clerk and a maistry were left entirely without control with the result that serious irregularities elicited in audit remained undetected. The clerk was prosecuted and convicted. In the third case the Board's clerk was found guilty of misconduct and was dismissed from service. In the last case the Board incurred illegal expenditure in defending a suit. It has been reported that 4 District Local Boards and 28 Taluka Local Boards delayed unduly in replying to the audit notes or did not fully or promptly dispose of the objections raised.

In the Northern Division the audit revealed serious irregularities in the case of the (*a*) Bhiwandi Taluka Local Board, (*b*) Taluka Local Board, Dhandhuka, (*c*) Taluka Local Board, Dohad, (*d*) District Local Board, Surat, and (*e*) Taluka Local Board, Murbad. In the first two cases serious irregularities and breaches of the account rules and provisions of law were detected and steps have been taken to put matters right. In the third case a shortage of local fund postage stamps worth Rs. 47-4-0 was noticed but the amount was recovered from the clerk who has since left the Board's service. In the fourth case a loss of Rs. 26 was caused by the payment of a higher rate for materials as result of a misleading report by an overseer and in the last case there was an omission to recover the advance of Rs. 100 from the contractor. In these cases steps have been taken to effect recoveries. Irregularities in accounts and procedure, which are none the less serious because they are not uncommon, are reported to be as prevalent as in previous years. Slackness in supervision and the inefficiency of the subordinate staff lies at the root of most of these faults.

In the Southern Division, waste of Government grants by the Public Works Department sections of the Dharwar and Bijapur District Local Boards was noticed. In the case of Dharwar Board the wastage was attributed to the Board's engineer who eventually resigned from the Board's service. The auditors in this division complained chiefly of the overdrawal of travelling allowance by members, lack of supervision over cattle pound and other minor matters connected with account procedure.

In Sind the principal defects noticed in audit were delayed in the disposal of audit notes, inadequacy of action taken on audit notes, slackness in the recovery of arrears of dues, misappropriations, short credits, etc., and irregular expenditure on Local Board works.

The examination of the offices of local boards by District Officers brought to notice large arrears of tax-collection in the case of all District Local Boards in Sind with the exception of the Karachi and Nawabshah districts. The arrears which require special attention are those pertaining to the wheel tax in case of Hyderabad (on which Government have previously had occasion to comment), to the lease money of fishing rights in the river Indus in the case of Sukkur, Thar and Parkar and the Upper Sind Frontier and to boarding house fees and school fees of the Madressah and ferry contract money in the case of Larkana.

Government regret to learn that in Sind the public works expenditure of the local boards in most cases continues to be unsatisfactorily recorded. The check of the local boards over their employees entrusted with the execution of works is still far from satisfactory. Deviations from sanctioned estimates, delay in the settlement of final bills and the failure to levy fines from the contractors for delay in the execution of works and lack of adequate check on muster rolls are common. It is reported that this is mainly due to lack of qualified staff. The Commissioner in Sind should be requested to advise all the district local boards in his charge to engage qualified Engineers. They should also be informed that if the present state of affairs continues without improvement, Government will have to consider the question of withholding or cutting down the grants given to them for local public works.

17. *General Remarks: Bombay Suburban Division.*—In the Bombay Suburban Division, the administration of the Board continued to be progressive. A noteworthy feature of the year was the decision of the Board to levy a tax on certain industrial concerns in order to augment its resources. The financial conditions of the Board are fairly satisfactory and with an additional income from the fresh taxation it is hoped that the Board will be in a better position to meet the legitimate aspirations of the villagers in respect of primary education.

Central Division.—The administration of the Boards was on the whole fairly satisfactory although in several cases they were run on communal lines, and instances of maladministration were brought to light. As a result of an enquiry into the mismanagement of affairs of the District Local Board, Nasik, Mr. R. B. Thorat, ex-President, Mr. S. D. Pardesi, Chief Officer, and three others were convicted and sentenced to various terms of imprisonment but on appeal to the High Court they were acquitted. In the case of the Sholapur District Local Board as a result of an inquiry held into the mismanagement of its affairs, Mr. B. N. Satpute, late Vice-President, was convicted and sentenced to rigorous imprisonment for six months and a fine of Rs. 200. Some of the District and Taluka Local Boards have thrown open their properties, i.e., dharamshallas, wells, schools, etc., to the Depressed Classes, while others have provided separate schools, wells, etc., for these people. Some of the local boards did not appoint Standing Committees as required by section 36 (1) of the Bombay Local Boards Act, 1923. It is understood that the Commissioner has already drawn the attention of the local boards concerned to the imperative provisions of this section and has required them to appoint the Committees without further delay.

Northern Division.—The administration of the Boards except in the Kaira District was on the whole satisfactory, although it was marred by occasional outbreaks of communal passion and party feelings. A special enquiry had to be conducted into the finances of the School Board of the Thana District Local Board and as a result persons responsible for the misappropriation of its funds have been prosecuted. It is reported that the condition of local board roads in the Surat and Thana districts in particular is in need of improvement. The Thana District Local Board is in a position to spend more than it does on its roads in view of its large income from road tolls.

Southern Division.—The administration of the Boards was on the whole satisfactory save in Dharwar and Bijapur. In the former District Public Works Department activities were crippled by the inordinate delay on the part of the Board in deciding to replace its Engineer. In the latter the Board was responsible for wastage in the use of village water supply grants. In general the Boards evinced a laudable readiness to augment their resources by fresh taxation in order to meet their commitments for primary education. The levy of octroi by the Ratnagiri District Local Board recently sanctioned experimentally by Government is a new departure in taxation for local boards. The Kanara Board has proposed to levy

a tax on professions and Government are taking steps to assist them and other local bodies in preparing model rules to govern such taxation. Belgaum, Bijapur and Dharwar Boards have sanctioned doubling the local fund cess.

Sind.—Fair progress was made in the administration of the Boards but much still requires to be done by them to improve their financial position. It appears that nearly one-half of their income is derived from contributions of Government. Most of the Boards have not yet raised their income by increasing the local fund cess to the maximum limit or sought to exploit other sources of revenue. So far only one Board namely, that of Thar Parkar, has agreed to the levy of the maximum rate of local fund cess. In the last review a complaint was made regarding insufficient expenditure on roads. It is satisfactory to find that the expenditure under this head has increased by over a lakh but very much remains to be done, and the constant risk of damage from floods makes any real progress in many parts of Sind very difficult. All the Boards in Sind were reconstituted and greater interest than usual was taken in the elections. Government are glad to note that men of the younger generation are coming forward to take their share in administrative responsibilities.

18. *General Review.*—It is universally recognised that the financial resources of Local Boards are generally inadequate to meet their needs. In the present financial position of Government it is useless to look to them for increased grants or to postpone new works and services until they are in a position to provide funds on the same scale as in the past. The Simon Commission have remarked that the willingness of a community to impose high taxation on itself for common needs is a proof of very advanced civic consciousness. Government recognise that the development must come gradually. With the advent of the motor car and motor omnibus and the general rise in the standard of living that has resulted from the spread of education, greater demands are being made on local bodies by the public year by year. The public look to them to supplement the provincial roads maintained by Government with secondary roads that are fit for motor traffic and with village roads for cart traffic. The demand for more bridges and causeways is becoming insistent. The claims for the expansion of primary education are urgent and widespread. Every village stands in need of a pure and assured water supply. Government can hold out no prospect that in the near future they will be able to increase the expenditure from provincial revenues on any of these requirements. It is naturally difficult for bodies composed largely of landholders to bring themselves to increase their own burdens. Nevertheless if any substantial progress is to be achieved there is no alternative to this course.

It is not only necessary to find funds for new works and services and to sanction their inclusion in a budget, but an honest and efficient executive staff is required to carry out the works. This is a point the full importance of which is not always appreciated. Boards must be prepared to pay salaries sufficiently high to secure trustworthy officials. Full value is not obtained for the money expended if carelessness, want of system, inefficient supervision and even dishonesty are tolerated. The appointment of qualified and adequately paid men as Chief Officers, Engineers and Health officers is a necessary condition of satisfactory administration. Much good work is being done by all Boards and in some places the administration is really excellent. It is regrettable that the work of many Boards is hampered by factions and communal differences as well as by insufficient resources or incompetent staff. On the whole, however, Government are satisfied that Local Boards are alive to the needs of expansion and improvement in all directions and they view hopefully their efforts to respond to the increasingly exacting demands that are made upon them.

19. The services of the following gentlemen have been mentioned as having been of special value to the districts in which they held office :—

(1) Mr. S. S. Naik, President, Bombay Suburban District Local Board.

(2) Khan Bahadur H. J. Antia, Chief Officer, Bombay Suburban District Local Board.

(3) Mr. E. P. Mascarenhas, Engineer, Bombay Suburban District Local Board.

(4) Sardar S. B. Thorat, President, District Local Board, Ahmednagar.

(5) Rao Bahadur S. D. Garud, President, District Local Board, West Khandesh.

(6) Nawab Naharsinghji, President, District Local Board, Broach.

(7) Sir Shah Nawaz Khan Bhutto, C.I.E., O.B.E., President, District Local Board, Larkana.

(8) Khan Saheb Allahbaksh Khan, President, District Local Board, Sukkur.

Government appreciate the efforts of these gentlemen and of others who have co-operated in their endeavour to make Local Self-Government a success and to promote the welfare of the rural areas.

20. Copies of this Resolution should be submitted to the Secretary of State for India and the Government of India and should be forwarded to all Commissioners, Collectors and to the other officers and Departments concerned.

By order of the Government of Bombay
(Transferred Departments),
